

January 2, 2025

We are thrilled to announce that the Opelousas General Health System's Hall of Fame Gala is approaching. The event will be held on Thursday, March 13, 2025. This special occasion is when our community comes together to honor our hospital's vital role in our lives.

The gala honors the work of exemplary individuals whose longstanding contributions have had a lasting impact on the community, healthcare, and our hospital. Our honorees gave selflessly to their patients and the community we serve. It is a fantastic opportunity to join business and community leaders in celebrating the past and present at OGHS.

All proceeds support the initiatives of the OGHS Foundation to further its mission of supporting OGHS through stewardship, relationships, and philanthropy. We bridge the gaps that frequently exist in rural facilities by providing facility improvements, equipment and technology upgrades, health education and screening services, and scholarships for students pursuing careers in health care.

We appreciate your sponsorship, consideration, and support in providing remarkable care. This year's event will feature a silent auction in addition to sponsorship opportunities. We are accepting donations valued over \$150 for the silent auction. The deadline for sponsorship and silent auction donations is March 1, 2025.

We cordially invite you to join us alongside our esteemed physicians, caregivers, and fellow community members as we celebrate years of sacred moments. Together, let us pave the way for our next generation of healthcare, ensuring that Opelousas General Health System remains a pillar of strength for our community.

Let us celebrate as we raise our glasses to Opelousas General Health System's remarkable journey.

With warm regards,
